Sir Robert Falconer - President
University of Toronto

Dear Sir Robert,

A large bronze medal, the blue case of which bears inside "L'Université de Paris à l'Université de Toronto", has just reached this office.

May be there has been a mistake in the preparation of the boxes, the one intended for Laval having been sent to Toronto and vice versa.

Knowing not who is the proper man from whom I might inquire, I thought best to let you know personally of the matter, so that you direct somebody to give me instructions about the matter.

Yours truly,

Lauon Emile Chartier,
Secretary General.

Dear Sir:

In the absence of Sir Robert Falconer in Halifax I beg to acknowledge the receipt of your letter of the 11th inst. and to say that the case containing the medal from the University of Paris bears the following "L'Universite de Paris a l'Universite de Laval."

I am sending the case to you by registered mail, and shall be obliged if you will send our case in the same way.

Yours sincerely,

President's Secretary.

Rev. Canon Chartier,
183 Rue St. Denis,
Montreal.

Dear Canon Chartier:

Many thanks for your letter. I am getting final returns to complete an article that I wrote some time ago on the work of the Canadian Universities during the war without asking any special individual mention of the numbers in each. I wish to have official returns for total numbers.

I hope that under your new auspices you will have increasing prosperity.

With kind regards, I am,

Yours sincerely,

President.
